Dear

Dear Ambassador George Pappas,

On behalf of the Diplomatic Community of Budapest, I would like to thank you for your support during the Diplomatic Charities Fair 2011.

It is my great pleasure to inform you that we raised the amount of more than HUF 3 million during the fair for our national charities. We are very happy to have raised such a substantial amount despite the difficult circumstances we had to deal with due to the pandemic. This only shows the generosity and commitment of the diplomatic community in helping those in need.

The Diplomatic Charities Fair has always been a showcase of goodwill and cooperation within our community. Many Embassies came together to put up their National Flags and Food Stalls in donated generosity for which our Local and Great Hall staff alike generated a huge amount of funds. Some Embassies also donated various items for the Grand Hall Library. Another Embassy donated a lot of food items for sale at the fair. Also, some groups volunteered with beautiful and generous floral bouquets to help us greatly to make the fair a success.

The fair was not the easy option we had before. Yet, with the timing being a very challenging time yet we managed to organize an event that is a shining star which that our help is needed the most by those less fortunate than us all.

Again, our heartfelt gratitude for your support, and we wish you and your family a more fruitful season and a prosperous New Year.

Yours sincerely,

Dear Ambassador  
George Pappas
